Getvideo is a free online service to convert videos from many popular sources - YouTube, Vimeo, Dailymotion, Facebook, Metacafe, VK.com, SoundCloud, Vevo, Instagram, AOL and others. It is fast and absolutely free. You can get video in different media formats such as mp4, f4v, 3gp or mp3 high quality.

How to download video, 4 simple steps:

1. Enter a valid url of video (examples are shown under the form of url input).
2. Choose format of file to convert to (mp3, mp4 etc.).
3. Press the button "Let's Start" and wait a little time until the end video conversion.
4. Download your converted file to computer or save it to the Dropbox or OneDrive storage.
